

The 2009 Beach Volleyball Season at Main Street Beach is locked, loaded, and ready to GO!

I anticipate a maximum numbers of participants in all levels as the off-season has been kind and every court has been in use during the winter and spring weekends. The tournament entry fees have been raised a bit, but are still below what other organizations charge.

I have added two new weekends, and will be the site director for the Santa Cruz stop of the **Corona Wide Open Tour**. This is an 8-stop national tour that is a part of U.S. Volleyball Open. This is the tour that Karch Kiraly has co-founded and he has committed to bring back the fun to the "festival weekend" of volleyball. It will have \$5,000 cash prizes for the Open levels that should bring out all the "big game hunters".

This is going to be a great weekend filled with contests, parties at The Ideal, and great prizes for all levels. Our winners of all levels will qualify to represent Santa Cruz at the U.S. Open to be played in Manhattan Beach in September. Check www.coronawideopen.com for more tournament and registration details.

If you have any questions regarding this summer's offering by the CBVA and Main Court Concepts, give the hotline a call (831) 724-3674. All tournament registration, with the exception of the Corona Wide Open, will continue to go through the www.CBVA.com website and remains open until 6 pm the day before the tournament. Check-in on the day of the event starts at 8 am and closes at 8:45. FIRST SERVE at 9 am. Note: Playoff seeding will now follow CBVA guidelines.

The "Super A" is a local grand prix to keep track of both the best of the Men's and Women's "A" players who for some reason just can't get their "AA". The Jonah Carson Trophy (he holds the record for most 2nd place finishes in an "A") will be awarded at the Sept.13th UCSC Slugfest.

As I start my 25th year of running events at MSB, your suggestions, input, and energy are as always appreciated and an essential part of making the summer season one to remember. - MHullo
